

The **CENTERS** for **APPLIED
SCIENCE** and **TECHNOLOGY**

Real Dreams. Real Futures.

SPEAK
G33K

CAST Tech high school
**A FORWARD-THINKING
MODEL** that trains
students for the jobs of
tomorrow.

Focused on **TECHNOLOGY, BUSINESS,
ENTREPRENEURSHIP** and **GRAPHIC DESIGN**,
CAST Tech works hand-in-hand with industry
partners such as H-E-B, Rackspace, USAA,
Frost Bank, AT&T, University Health System,
Whataburger, Jungle Disk, Root 9b, Tech
Bloc and Geekdom. Students are able to
graduate with guaranteed job interviews as
well as enough college credits and industry
certifications to give them a solid head start on
a path to college or career.

The school works closely with industry partners
to shape up-to-date curriculum, offer up real-
world projects for students to solve and provide
mentorship and internship opportunities, all with
the goal of creating a strong pipeline of talent that
benefits both students and potential employers.

**No cost to attend,
tuition-free**

Come check out CAST Tech with
your prospective student! Walk the
building and tour live classrooms.
